

Week 8: Assessment

Part 1 (2 Weeks)

It's time to put your acting skills to the test! This week, you will be assigned a time, place, and role for the monologue below.

In order to do well on this project, you will be asked to complete the following:

- 1) Create and wear a costume for your role (get creative!!!)
- 2) Rehearse your lines so you have them memorized
- 3) Use different facial expressions
- 4) Change of voice and volume (Don't sound like a robot!)
- 5) Actions appropriate for your scene
- 6) To have fun and try your best!!!

Title: Gosh, I'm Thirsty!

Role: Plant (Your Choice)

Gender: Any

Genre: Dramatic/Funny

Description: You are a plant sitting on a windowsill and the family who cares for you went on a long summer holiday and FORGOT to tell the neighbor to water you.

Hello? Hellooooooooooooo! Gosh, I'm thirsty! These people are NOT responsible. I haven't drank anything in a week! Don't they know that water is SUPER important for photosynthesis? Yes-- I'm sitting here by a window underneath this beautiful, hot sun. I'm absorbing all of this energy in my bright, green leaves. Yes-- I'm getting lots of nutrients from the rich soil through my long, strong roots. And yes-- I'm absorbing carbon dioxide and turning it into oxygen. Is THIS what I get in giving you FRESH, CLEAN AIR? And do they-- OH...MY... GOODNESS... is that my first brown spot? Oh no..... I hope they come back soon or else I'll shrivel up like Fred the Flower over there. Poor guy... all he wanted was to be planted in a bigger pot, to spread his seeds, have a big glass of COLD WATER!

Part 2 (After the April Holiday)
